JOHNSONBURG MUNICIPAL AUTHORITY
REGULAR MEETING
TUESDAY, May 21, 2019

The meeting was called to order at 6:00 P.M. by Chairman Eric Poague, followed by Pledge of Allegiance and moment of silence.

ROLL CALL – In attendance were Eric Poague, James Reinsburrow, Richard Zeigler, Charles DeStephano, Dennis Asti, Kenneth Polaski, Earl Park, Richard Brown, Lisa Sorg, Kerri Shaffer, Doug Haupright, and Josh Gunnett. Travis Long was excused.

EXCUTIVE SESSION- None

VISITORS- Al Maletto, Adrian Bevacqua, and Joyce Maletto (Johnsonburg Press Reporter).

VISITORS COMMENTS – Adrian Bevacqua questioned the water rates in town and the meter replacement program.

MANAGER'S REPORT- Syna-Flow Technologies has submitted a quote for the bi-annual preventive maintenance service visits for the Authority's three Continental Aeration Blowers. The price is \$2,665.00 for each visit. The Pennsylvania Municipal Authorities Association Region 7 Meeting is May 23, 2019, in Bradford. The Silver Creek pond is due for maintenance. Jake and DJ have been working with Challenger to figure out what we need done and are working together to make it possible. Water service shut offs will be mailed out again this month. Three banks have been contacted for a Line of Credit for the PennVest projects. According to Chapter 109, Section 718, Pennsylvania community and non-transient noncommunity water systems must develop a comprehensive monitoring plan to improve public health protection by ensuring that all sources are included in routine compliance monitoring. This plan must be submitted by August 19, 2019. The New Johnsonburg Municipal Authority's website is currently being built. The Authority received a letter from USDA dated May 17, 2019, stating that the revised documents appear to be acceptable for bidding purposes and authorized bidding. The 2018 Audit is still in progress. Allegheny Electric and AMPs have been contacted for quotes for a high voltage controller for the generator at the raw pump station and the generator at the WWTP. Amps does not sell parts and Allegheny Electric has not returned our call. The crew has been putting in meters the past couple of weeks and are about 30% done. The Authority has received all permits for the Water Treatment Plant.

ENGINEER'S REPORT – JHA continues to correspond with USDA in efforts to expedite procession of project implementation. Per correspondence with USDA on 5/16/2019, the notice to proceed with bidding was to be forthcoming for the meeting on 5/21/2019 most likely pending the review of the complete set of plans received by USDA on 5/15/2019 as sent by GD&F. GDF needs to now provide the resume of the inspector they are proposing to have on site for the project so as to be vetted by JMA and USDA. USDA inquired as to who would be conducting the construction administration of this project and with whom would be inspecting.

PROJECT ENGINEER'S REPORT- Received Specification comments for USDA on 4/1/2019. Waiting on Plant Drawing comments and approval to bid. GD&F submitted the revised sets to USDA on 5/14/2019. USDA is preparing to issue the notice. Approval to go to bid with conditions should be forthcoming- GD&F will be submitting a resume for the construction inspector for USDA and JMA review and approval. GD&F is responding to Specification and Drawing comments as they are received. Requisition #43 to USDA \$3381.89.

A motion was made by Charles Destephano and seconded by Richard Zeigler to advertise for the following meetings at the office.

- Pre-Bid Meeting – Tuesday, June 18, 2019 at 10 AM
- Opening Bid Meeting – Tuesday, June 25, 2019 at 2 PM

- Awarding Bid Meeting – Thursday, June 27, 2019 at 6 PM

Motion was carried unanimously.

Office of the Elk County Commissioners
Elk County, Ridgway, Pennsylvania

The Elk County Commissioners met in regular session on Tuesday, July 2, 2019 at 10:00am in Conference Room No. 2 of the Courthouse Annex. The meeting was opened with the Pledge of Allegiance. Those present were Chairperson Dan Freeburg, Commissioners Matthew Quesenberry and Janis Kemmer, Tom Wagner, Solicitor, Lee Neureiter, Chief Clerk, Samantha Beaver, Deputy Chief Clerk, Tracy Gerber, CDBG Coordinator, Paul McCurdy, Ridgway Borough, Tim Wells, GPI and Brian Stockman, Press.

Jan Kemmer made a motion to approve the Minutes of June 18, 2019 meeting seconded by Matt Quesenberry and carried unanimously.

Matt Quesenberry made a motion to approve the agenda with the addition of items 7 & 8 seconded by Jan Kemmer and carried unanimously.

NEW BUSINESS

1. Jan Kemmer made a motion to reject the unopened bid for the Ridgway Borough curb cut project and to rebid the job. The new bid opening and award will take place on July 16, 2019 at the Commissioners meeting. This motion was seconded by Matt Quesenberry and carried unanimously.

Tracy Gerber explained there was only one bid received and that was from Steger Masonry. Tracy explain DCED likes to have at least 2 bids. She stated she has already talked to Charlie Steger and he has agreed to just leave his bid unopened and have it go through the next round of bids. Tracy explained if they only get the one bid again, then she has the ability to file proper documentation to allow that one bid to be the contractor who is awarded the job.

Matt Quesenberry asked if we do only get that one bid then are we good to go and proceed forward on the 16th?

Tracy said yes, we could then open the bid and award the bid that day.

Tracy went on to say as long as the newspaper can run the ad tomorrow, July 3, 2019, then she has exactly the correct amount of time for the bid opening to take place at the July 16th commissioners meeting. Brian Stockman spoke up and said he can make sure it is put into the paper tomorrow.

2. Matt Quesenberry made a motion to approve the use of \$4,750.00 in hotel tax funds for a ½ page ad for Elk County in the 2020 Happy Traveler state tourism guide seconded by Jan Kemmer and carried unanimously.
3. Jan Kemmer made a motion to approve the revision of FY 2016 CDBG seconded by Matt Quesenberry and carried unanimously.

Tracy Gerber explained in DCED 2016, there is a remaining balance of \$7,762.24 from the Johnsonburg Water Meter project. She stated all of the meters were purchased. This project is not entirely completed; however, the total amount of funds needed have been spent therefore leaving the above balance. She proposes the \$7,762.24 be moved to the Slum and Blight Remediation for the destruction of a house in Johnsonburg.

Tracy stated there is \$1,851.00 left in the 2017 CDBG and she would like to combine 2016 and 2017 to fund tearing down a house in Johnsonburg located at 323 High Street. Any added costs, Johnsonburg Borough has agreed to fund.

4. Matt Quesenberry made a motion to approve 1 widow burial benefit for Veterans Affairs seconded by Jan Kemmer and carried unanimously.
5. Jan Kemmer made a motion to approve the City of St. Marys application for county aid in the amount of \$8,000.00 from the Liquid Fuel Funds for 1B limestone seconded by Matt Quesenberry and carried unanimously.
6. Matt Quesenberry made a motion to approve 1 Veteran burial allowance seconded by Jan Kemmer and carried unanimously.
7. Jan Kemmer made a motion to approve 1 headstone allowance for Veterans Affairs seconded by Matt Quesenberry and carried unanimously.

COURTHOUSE ANNEX BUILDING

July 16, 2019

Office of the Elk County Commissioners
Elk County, Ridgway, Pennsylvania

The Elk County Commissioners met in regular session on Tuesday, July 16, 2019 at 10:00am in Conference Room No. 2 of the Courthouse Annex. The meeting was opened with the Pledge of Allegiance. Those present were Chairperson Dan Freeburg, Commissioners Matthew Quesenberry and Janis Kemmer, Tom Wagner, Solicitor, Lee Neureiter, Chief Clerk, Samantha Beaver, Deputy Chief Clerk, Kim Frey, Director of Elections, Paul McCurdy, Ridgway Borough, Tim Wells, GPI and Brian Stockman, Press.

Jan Kemmer made a motion to approve the Minutes of July 2, 2019 meeting seconded by Matt Quesenberry and carried unanimously.

NEW BUSINESS

1. Jan Kemmer made a motion to table the award of the Ridgway Borough Curb Cuts Project until the next meeting on August 6, 2019 seconded by Matt Quesenberry and carried unanimously.
 - a. The sole bid received was opened during today's commissioner's meeting. The bid was from Steger Masonry in Ridgway, PA. The total bid came in at \$138,502.50. Due to the nature of this bid and Tracy Gerber, CDBG coordinator not present at this Commissioner's meeting, Paul McCurdy and Tim Wells, representing Ridgway borough, reviewed the bid for a short amount of time while the meeting went on. After reviewing the bid, Paul and Tim requested the award be tabled until the August 6, 2019 Commissioner's meeting. The bid is substantially higher than the allocated amount of money available for the project. The Ridgway Borough would have to pay the difference and that decision was unable to be made at the time of this meeting.
2. Jan Kemmer made a motion to approve the CYS FY 19/20 Community County Service, Inc. contract renewal seconded by Matt Quesenberry and carried unanimously.
3. Jan Kemmer made a motion to approve the CYS FY 19/20 LifeSpan Family Services of PA contract renewal seconded by Matt Quesenberry and carried unanimously.
4. Jan Kemmer made a motion to approve the CYS FY 19/20 Pentz Run Youth Services, Inc. contract renewal seconded by Matt Quesenberry and carried unanimously.
5. Jan Kemmer made a motion to approve the CYS FY 19/20 Pathways Adolescent Center contract renewal seconded by Matt Quesenberry and carried unanimously.
6. Jan Kemmer made a motion to approve 2 Veteran Affairs headstone allowances seconded by Matt Quesenberry and carried unanimously.
7. Jan Kemmer made a motion to approve 1 Veteran Affairs burial allowance seconded by Matt Quesenberry and carried unanimously.
8. Matt Quesenberry made a motion to approve the CWIS Data Sharing Agreement for Children and Youth Services seconded by Jan Kemmer and carried unanimously.
 - a. This is with the Commonwealth and is mandatory for CYS to submit their budget.

APPROVAL OF BILLS – June 29, 2019 → July 12, 2019

GENERAL FUND	\$242,230.57
PAYROLL	\$250,908.56

ELK COUNTY LAW ENFORCEMENT	\$9,070.00
NTRP	\$96,177.43
COUNTY OF ELK CONSTRUCTION FUND	\$271.53

→ Jan Kemmer made a motion to approve the payment of the bills listed above seconded by Matt Quesenberry and carried unanimously.

QUESTIONS FROM THE PRESS

- Brian Stockman asked about the CYS Contract renewals. He wanted to know if the County has to pay for these services. Lee Neureiter responded by saying the contract renewals are to approve the rates agreed upon. CYS only pays those rates if Elk County CYS then utilizes the services.
- Brian Stockman asked about the status of the voting equipment since Kim Frey was present for the Commissioner's meeting. Kim went on to reply by stating The County of Elk entered into a contract with ES & S. We are tentatively waiting for the delivery of the equipment on August 26, 2019.
- Brian Stockman asked about the funding of the new election equipment and how the County plans to pay for the equipment. Lee Neureiter went on to say the County budgeted entirely for the full cost of the election equipment. Included in the budget for the equipment was the \$33,066.20 from the Help America Vote Act. This money is coming from a federal level and is guaranteed. This is why it was included in the original budget for the equipment. At this point, the County has the funds to fully pay for the election equipment. If funding comes through from the state as suggested, that is terrific. If the funding falls through, The County of Elk will be fine and able to pay without any issues unlike other Counties in the Commonwealth.
- Paul McCurdy asked what happens to the old election equipment. Kim went on to say they recycle the equipment and it is destroyed. It has to be certified that the equipment has indeed been destroyed.
- Brian Stockman asked about the hype about ES & S and Windows 7. Lee replied by saying yes, the new equipment runs on Windows 7 which will no longer have support from Windows. The contract the County of Elk has entered into with ES & S has the upgrade to the next operating system, free of charge to the County.

GOOD OF THE COUNTY

- ❖ Ridgway Firemen's Parade is on Saturday, July 27, 2019 with a start time of 4:00PM.
- ❖ Elk County Fair is Tuesday, August 6, 2019 through Saturday, August 10, 2019.
- ❖ Please continue to pray for our military personnel, our families and our children, their teachers, all elected officials and peace in the world.

ADJOURN MEETING

The meeting was adjourned at 10:18am on a motion by Matt Quesenberry seconded by Jan Kemmer and carried unanimously.

Engineer's Report – August 12, 2019 Johnsonburg Borough Council Meeting

The following summary of work performed over the last month, as well as an update on current project status, is provided herein for your review:

Harrison Avenue Realignment Project

- No additional progress to report, we anticipate having the remaining Redmond easement information ready for the solicitor within the week.

Engineering Services

- Marnatti Contracting, LLC has begun to demolish the existing JCC pool room ceiling, to date approximately half the material has been removed. A couple of existing gymnasium floor beams have been found to be cracked and will need to be looked at further to determine the extent of repair required, replacement does not appear to be needed. Existing electrical conduit has been reviewed by John Updyke and mostly determined to have been previously abandoned; however, at least one electrical run goes upstairs to provide power to other portions of the building. We will need to review how to handle this prior to installing the new ceiling.
- Estimates for a new JCC pool ceiling have been gathered for use in determining funding options. A combination of the two previously reviewed systems is recommended to both reduce cost as well as future maintenance. Those systems have been estimated separately as well as the materials and labor so all options are available moving forward. We are currently looking into multiple grants to procure the funds to complete the work.
- We have been reminded that the Fall round of Act 13 grant applications are due to the Commissioners by September 1, 2019 and that work at the JCC would be included under the criteria of the grant program.
- Work continues to finalize the Market Street Sidewalk project. After discussing with the Elk County Planning Department it has been recommended final design and project specifications be completed and bid out later this year for anticipation of construction starting in the Spring 2020 due to the time of year and likelihood construction would not start until at least mid-September or beginning of October at best.
- We participated in training provided by the Elk County Planning Department's CDBG Coordinator on income surveys. This training detailed how the surveys were to be conducted and how the Borough should approach each residential property identified in the determined project service area. Surveys were recently conducted by Borough personnel for this year's CDBG funding program with 20 of the 21 surveys returned. As a result the area surveyed was determined to meet the requirements of the program for low/moderate income areas. Surveys will be required for all CDBG applications submitted by the Borough moving forward.

- We recently completed and submitted an application for CDBG funding for the Grove Street Storm Sewer Replacement Project. The project has been scoped to include replacement of all inlets and storm drains along Grove Street as well as connector drains from Hickory Street and Mary Street along all associated storage facilities. Due to the estimated grant request a second application for slum & blight funding was not submitted at this time. We will be representing the Borough at the Elk County Planning Commission's quarterly meeting on August 14, 2019 to present the project for consideration.

Code Enforcement

- As of today there is currently one apartment with residents still living in the Brick Block with a possible second unit still occupied. We continue to consult with the solicitor to determine what legal action can be taken to get the remaining tenants out as the building continues to be posted as uninhabitable.
- We have reviewed and provided comments for the advertised Ticketing Ordinance to be considered at the August Council meeting. A few last minute comments have been provided to the solicitor for inclusion to better outline the procedures once the ordinance has been passed and we begin to enforce it.
- We have been dealing with several complaints on the 400 block of Second Avenue. We are in the process of working with the solicitor and Police Department to work thru those issues.
- We continue to receive complaints about stormwater and sump pump discharges onto neighboring properties. We are in the process of investigating those and anticipate following up with all involved parties once a final decision has been made. We would like to remind residents you cannot purposely discharge stormwater or pumped water onto a neighboring parcel without permission from the property owner. All gutters/downspouting and sump pumps must be discharged onto the property of the residential structure or piped to a location that does not discharge onto any other property without permission to do so.
- A request for all residents and businesses throughout the Borough to assist with taking care of weeds along buildings, sidewalks and curbs has been running in the Johnsonburg Press for the last several weeks. We continue to ask for assistance from the community in helping to make our town look nicer. If necessary the Borough will issue warnings and if need be code violations and/or tickets to property owners who continue to be in violations of the Borough's Grass & Weeds Ordinance.
